Membership and Rotary Pilot Program

Participating in this RI Program allows the club to be more flexible with membership requirements.

We are experimenting with three membership types. The first two have been standard for years.

Regular Billed quarterly, attend at least 60% of meetings, meals billed at \$16 regardless of attendance, \$25 per quarter RI Fund commitment, must take part in at least 2 community activities a year

Honorary Not a member of RI, no dues and T-SA Lunch \$20 per meeting attended

A new category **Social Member** is being studied by the Board of Directors.

Challenge of Fundraising

Need to raise money-- but not just from members

Need to avoid liability for Officers and Directors

Need to provide an attractive value to the general public

Legal requirements

We must submit a Non-profit Raffle Program Registration Application for all Raffles after September 1, 2011

Non-profits must keep 90% of raffle proceeds (so 50-50 and Cash Bash draw are not actually legal)

Poker/gambling nights ARE legal if we apply for a permit.

LAPD will not enforce the law unless there exists one of the 3 C's:

- (1) Commercial benefit
- (2) Conspicuous publicity or advertising
- (3) Complaint by a citizen
